Interview Date June 7, 2005

Participants Charles Gotlieb, Examiner

Claims Discussed All Claims

Art Discussed Schalk 5,517,558, Kanevsky 5,897,616

On the date set forth above, the participants set forth above conducted a telephonic interview with no exhibits shown nor demonstrations conducted. The above claims and prior art were discussed and agreement with respect to the claims was "Not Reached"

Matters Discussed During the Interview

Examiner called and left a voicemail regarding the two patents above, asking Applicant's attorney to address them in light of the appeal decision. Applicant's attorney left a message for the Examiner distinguishing the references and explaining why it would not be reasonable to combine them with the other cited reference, Schier. Because the exchange was done via voicemail messages, no agreement was reached in the "interview", though the case was subsequently allowed, and so the arguments made by Applicant's attorney were assumed to be persuasive.

Respectfully submitted,

Dated: September 20, 2005
